To Whom This May Concern,

It is a pleasure to offer this letter of recommendation for Ms. Zena McCartney. Ms. McCartney is a Human Communication major with a concentration in Journalism and Media Studies. She was a student in my “American Ethnic Literature and Cultures” and “HCOM Major ProSeminar.” I have known her for about a year.

Ms. McCartney is an excellent student. She is hard working, conscientious, focused, and motivated. She has clear academic, professional, and personal goals. In both classes she took with me, she was active in discussion participation and had followed all the assignments with demonstrated enthusiasm and dedication. As one of the more organized students in class, she frequently played the lead role with group projects. Her work had demonstrated tremendous academic potential. She was, without any doubt, one of the top performing students in both classes.

Finally, as a person, Ms. McCartney is also cooperative and pleasant to work with. She is respectful, sensitive, warm, and mature. She is exactly the kind of Vision student that CSUMB is predicated on and would be proud to graduate. If awarded, I am quite confident that Ms. McCartney would use the scholarship wisely and judiciously to further her pursuit of the academic excellence and I would, therefore, recommend her to you with no reservations. If you have any questions about Ms. Zena McCartney’s qualifications, please feel free to contact me at the address listed in the opening of this letter.

Sincerely,

Dr. Qun Wang, Professor
Division of Humanities and Communication
College of Arts, Humanities, and Social Sciences
California State University, Monterey Bay
